

GreenSchool

by

WALLAH
WE CAN

Wallah We Can,

Wallah We Can implements sustainable, economical and ecological solutions, guaranteeing children their 5 fundamental rights:

The right to health

The right to education

The right to fulfillment

The right to physical protection

The right to legal protection

Transform public schools into social enterprises through energy autonomy and food self-sufficiency, in order to finance a better living and studying conditions for students.

GreenSchool

Energy autonomy

GreenSchool perfectly meets the sustainable development goals

GreenSchool

Food self-sufficiency

Training of unemployed parents

The Kid'chen farm

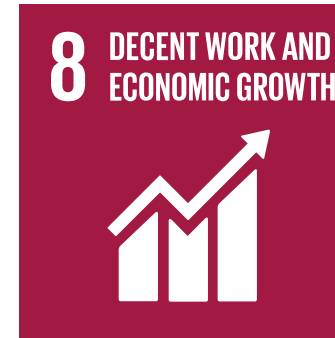

Farmer parents

The Kid'chen farm crops

GreenSchool perfectly meets the sustainable development goals

GreenSchool

Better living conditions

GreenSchool perfectly meets the sustainable development goals

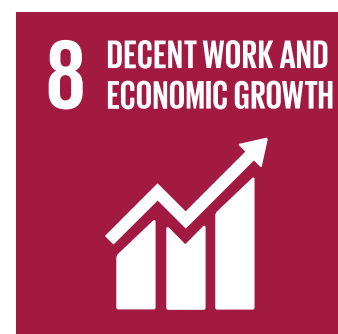

GreenSchool

Better studying conditions

GreenSchool perfectly meets the sustainable development goals

A photograph of an olive grove with a large greenhouse in the background. The foreground is filled with olive branches bearing dark olives. In the background, a large, semi-circular greenhouse with a translucent covering stands in a field of green crops under a clear blue sky.

**Let's guarantee the energy autonomy
and the food self-sufficiency of the
children in Tunisia!**

Next steps:

- 3 governorates in 3 different bioclimatic zones,
- 3 complementary and innovative agricultural farms,
- 1 energy farm in Gabès,
- 550+ beneficiary schools,
- 120 000+ students who will be guaranteed a better living and study environment,
- 1600+ after-school clubs animated by young graduates who were unemployed,
- 2000+ unemployed people trained,
- 800+ permanent jobs created.

Dites à l'enfant
que nous sommes
